GENERAL SCREENS

A screenshot of a web browser window showing a form titled "Edita una mascota". The form is set against a solid purple background. The form itself is a white rectangle with rounded corners. It contains several input fields with labels on the left and placeholder text on the right. The labels and their corresponding values are: "Nombre" (Dorian), "Especie" (Felis), "Edad" (4), "Ud. Bordo" (3), "Pelo" (corto), "Altera" (4.3), "Peso" (2.3), and "Tipo" (gato). At the bottom of the form is a blue button with the text "Guardar". The browser's address bar at the top shows "localhost:3001/edtar/10".

EDIT PET DATA

A screenshot of a web browser showing a form titled "Edita una mascota". The form is set against a purple background. It contains several input fields with labels: "Nombre" (with value "Hanna"), "Especie" (with value "bulldog"), "Edad" (with value "4"), "M de Nacimiento" (with value "3"), "Peso" (with value "café"), "Altura" (with value "4.3"), "Sexo" (with value "2.3"), and "Tipo" (with value "perro"). A blue "Submit" button is at the bottom.

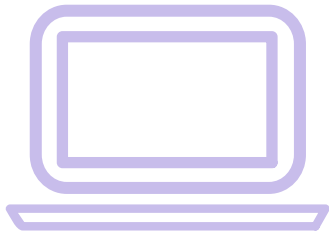

PREVIOUS DATA

For this example we were using the pet with the 10th id.

EDIT PET

To edit the data of a pet, it is necessary to click on the "edit" button on the main screen on the pet you want. For this, only the general data will be modified but not the id, since it is unique for that pet. Once edited, we click submit to update.

A screenshot of the same "Edita una mascota" form, but with updated values: "Nombre" is "Hanna", "Especie" is "bulldog", "Edad" is "5", "M de Nacimiento" is "3", "Peso" is "tricolor", "Altura" is "1.2", "Sexo" is "4", and "Tipo" is "perro". The "Submit" button remains at the bottom.
